

Quick Overview of The Climate Pledge

The Climate Pledge is a commitment to reach net-zero carbon emissions by 2040. It brings together hundreds of the world's top companies to accelerate joint action, cross-sector collaboration, and responsible change.

Signatories of The Climate Pledge agree to:

1. Regular Reporting

Measure and report greenhouse gas emissions on a regular basis.

2. Carbon Elimination

Implement decarbonization strategies in line with the Paris Agreement through real business changes and innovations, including efficiency improvements, renewable energy, materials reductions, and other carbon emission elimination strategies.

3. Credible Offsets

Neutralize any remaining emissions with additional, quantifiable, real, permanent, and socially beneficial offsets to achieve net-zero annual carbon emissions by 2040.
